**Does the spectator in the picture above  
See a 757 or any of its remains?**

**NOTE: The wall section Has Not Yet collapsed!  
IT Collapsed TWENTY Minutes After the "EXPLOSION"**

**Where is the 757 We were told hit the Pentagon?  
Why were "Explosions" and "Demolition Charges" reported inside the  
NYC World Trade Towers?**

**And How many times have you seen the pictures  
shown here in our "mainstream" media?**

## EVIDENCE Part I

YOUR REVIEW AND PARTICIPATION ARE REQUESTED.

This “Special Report” will consider the following:

**Part I-A:** Evidence live from the morning of 9/11: Pictures from the Pentagon.

Do you see any “evidence” of a 757 outside the Pentagon?

**Part I-B:** Evidence live from the morning of 9/11:

Reports from the NYC World Trade Towers of “Demolition Charges” and “Explosions.”

Do you see evidence of “explosive events” directly connected with the collapse of the NYC World Trade Towers?

**Part I-C:** Media coverage after 9/11 - These questions are suggested:

Have you seen any of these pictures after the morning of 9/11/2001?

Have you seen any of these pictures in the NY Times, Washington Post or any “mainstream” media, including Television?

**Part I-D:** You are invited to participate in this “Real 9//11 Commission” And Investigation and you will have the opportunity to “Render a decision”.

All the pictures shown here WERE ALL SEEN ON LIVE TV OR TAKEN (History International) THE MORNING OF SEPTEMBER 11, 2001.

Is there possible criminal intent to keep these pictures and the story they tell us from the American people?

## EVIDENCE Part I-A

Pictures from the PENTAGON from 9/11/2001 AM

**The question is: Where is the 757  
We were told hit the Pentagon?**

The picture above, "Pentagon Wall and Explosion",  
Is an official government released photo.

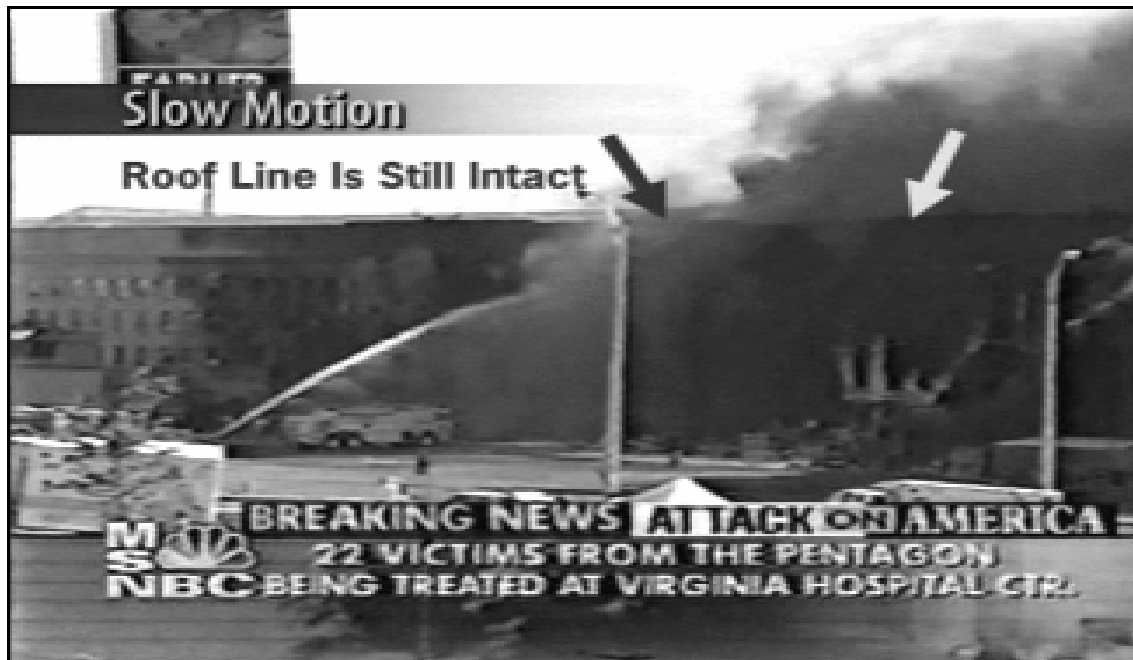

Note the evidence here:

**If any object of significant size made this explosion,  
It would have to show in this picture !**

No objects or airplanes are seen.

## Pictures from the Pentagon, Before the wall section Collapses

The picture Above was shown live on MSNBC on the morning of September 11, 2001.

It shows the wall still intact from the explosion,  
and the fire from the explosion being fought.

**The outside wall section collapsed 20 minutes after the Explosion.**

**“There is no evidence of a plane crash anywhere near the Pentagon.  
There are no wings, tail section, fuselage or other large parts”  
consistent with a 757 having crashed at the Pentagon.**

**Reported on CNN Live, the morning of September 11, 2001.**

# A Real 9/11 Investigation

Also in the above picture, the wall section has Not yet collapsed.

**A 757 is Twice as long as the Pentagon is tall, Where is the 757?**

# A Real 9/11 Investigation

## Pictures from the Pentagon, after the Wall Section Collapse

The above picture from a History International documentary  
Clearly shows the absence of a 757  
We were told hit the Pentagon.

As the Pentagon wall collapsed  
TWENTY minutes after the “Explosion”,  
A 757 must be where the fire fighting equipment is shown.

Notice: There is NO 757 or  
Evidence of any large equipment remains.

**“There is no evidence of a plane crash anywhere near the Pentagon. There are no wings, tail section, fuselage or other large parts” consistent with a 757 having crashed at the Pentagon.**

**Reported on CNN Live, the morning of September 11, 2001.**

The picture above shows the collapsed section of the pentagon wall.

There is no evidence of 757 parts as wings, engines or fuselage.

This section collapsed TWENTY Minutes after the “Explosion”.

## EVIDENCE Part I-B

### Reports from the NYC World Trade Towers of “Demolition Charges” and “Explosions”

### WHY? Did the NYC Towers “Collapse”?

#### IS THIS WHAT YOU WOULD EXPECT TO SEE FROM THE “COLLAPSE” OF THE TOWERS ??

The following are quotes from “911 in Plane Site” about the presence of “demolition charges” in the NYC Twin Towers. They were made live by TV News people:

“We’ve just heard reports of a 4th explosion (after the impact of the two planes)  
CNN: “it almost looks like one of those implusions of buildings that you see...”

(Referring to the Picture above)

Rick Sanchez, MSNBC, “Explosion – suspicious device”

Many TV reports (live Sept. 11) said they (the Towers) appeared to  
come down just like a controlled demolition.

## The World Trade Center Towers in NYC

### Explosions and Demolition Charges

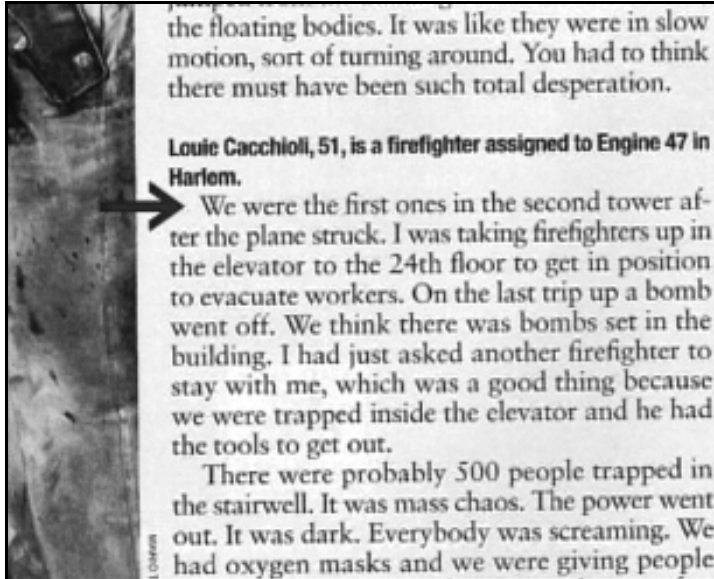

The picture above shows NYC Firefighters. The firefighter on the left and third from the left make the following statements: “We were about two blocks away; ...floor by floor it started popping out; ....It was as if they had detonators and they planned to take out a building;

Boom, boom, boom”

The story we have been told that the planes crashing into the towers caused their collapse has been strongly questioned. On page 233 of “A Real 9/11 Commission”, Fire Fighters call WTC Probe “Half-baked Farce”, we find “The structural damage from the planes and the explosive ignition of jet fuel in themselves were not enough to bring down the towers.”

# A Real 9/11 Investigation

The picture to the left is from the September 24, 2001 People magazine.

Notice the statement by NYC Firefighter Louie Cacchioli about "bombs".

## Actor Charlie Sheen on CNN's Showbiz Tonight, March 20, 2006

Sheen described his immediate skepticism regarding the official reason for the collapse of the twin towers and building 7 on the day of 9/11.

"I was up early ... I was watching the news and the north tower was burning. I saw the south tower hit live, that famous wide shot where it disappears behind the building and then we see the tremendous fireball."

"There was a feeling, it just didn't look any commercial jetliner I've flown on any time in my life and then when the buildings came down later on that day I said to my brother 'but did it sorta look like those buildings came down in a controlled demolition'?"

Sheen said that most people's gut instinct, that the buildings had been deliberately imploded, was washed away by the incessant flood of the official version of events from day one.

# A Real 9/11 Investigation

## IS THIS THE “COLLAPSE” OF A BUILDING?

In a natural collapse, debris should fall close to the side of the building.

However, in the case of the North Tower, above,

We see upward explosions of dust and smoke in a symmetrical pattern,  
**600 feet or two football fields** from the side of the towers.

“The molten steel was found “three, four, and five weeks later, when the rubble was being removed,” he said. He confirmed that molten steel was also found at WTC 7, which mysteriously collapsed in the late afternoon.”

# A Real 9/11 Investigation

And again, Is this the “Collapse” of a building

From within the falling debris above,

We can see an explosive puff of cloud rising as

Another section is ejected in an arc roughly

**600 feet or two football fields** away from the tower.

An upward 45-degree projectile simulation matches the arc of the ejected debris,

Indicating “upward” motion, as with an “explosion”.

A horizontal projectile simulation, expected in a natural “collapse”,  
does not.

# A Real 9/11 Investigation

IS THIS AN EXPECTED RESULT FROM THE  
“COLLAPSE” of ANY Structure?

Large sections of the  
NORTH tower's outer  
Steel Framework  
weigh hundreds of  
tons joined together.

Where did the huge  
amount of ENERGY  
come from to eject  
them roughly 600 feet  
through the air into  
the rooftop of the  
WINTER GARDEN?

“The molten steel was found “three, four, and five weeks later, when the rubble was being removed,” he said. He confirmed that molten steel was also found at WTC 7, which mysteriously collapsed in the late afternoon.”

## Part I-C: Media

In his article “Congress can no longer ignore corporate control of the media”, Rep. Bernie Sanders (I-VT) was giving us a warning.  
(See <http://www.news-u-need-r-us.com/control1.html>)

Have you seen any of these pictures after the morning of 9/11/2001?

Have you seen any of these pictures in the NY Times, Washington Post or any “mainstream” media, including Television?

All the pictures shown here WERE ALL seen ON LIVE TV OR TAKEN (History International) THE MORNING OF SEPTEMBER 11, 2001.

**Is there possible criminal intent by those who kept these pictures and the story they tell from the American people?**

## Part I-D: Please, “render your decision”:

CHARGES and SPECIFICATIONS	Yes	No	Not Sure
Is there evidence of a 757 at the Pentagon?			
Did “Demolition charges” and “explosions” cause the collapse of the NYC World trade Towers?			
Have you seen any of the pictures in the “Special report” on any mainstream media?			
Would you demand an investigation of media negligence because these pictures were denied to the American people?			
Do you want a “valid” investigation of the events of 9/11?
